FOR IMMEDIATE RELEASE

Atlanta Dating Coach will be *Playing the Field* at the Mix Media Award Suite Swag Event Surrounding the Emmys

ATLANTA – Sep 10, 2007 – Have you ever wondered what happens the days before the Emmys?!? Local inventor Amanda Brown of *Playing the Field Card Game* is going to have the opportunity to find out at a mix and mingle event with Nominees, Presenters and A-list Celebrities and VIPs!

Discovered by Hollywood Executive Producer, Heather Holliday, Amanda was invited to be one of the many participants who entertain the invitees at the Mix Media GREEN Awards Suites. Amanda will be showcasing her game, *Playing the Field*, a relationship card game with all of the celebrities and Hollywood VIPs who attend the event held on September 13-16 at the SOFITEL Beverly Hills.

Keeping the excitement heightened and the crowds eager in anticipation, hands of blackjack will be dealt using her cards. *BUT...* if they look closely while playing blackjack, the celebrities will discover some great conversation starting questions, such as:

- “Are you a flirt?” (sometimes you can’t tell if it’s an act...)
- “What is the color of my eyes?” (really...has he been gazing in your eyes or elsewhere?!?)
- “How long could you survive alone in the wilderness?” (they may have played a soldier in a movie, but staying at the Ritz does not count as camping!)
- Are you a workaholic? (it’s good to know if you’ll ever see each other)

And other flirtatious questions to peek your interest while dating.

Either way, we know that conversation will be sparked around the blackjack table by playing the cards right! For those who discover that their conversation leads to the dead-end of their relationship, the game is recyclable. “If it doesn’t work on the first person, reuse it on the next!” the label exclaims on the box.

There are a few celebrities (and general public) who could use some relationship help and *Playing the Field Card Game* allows those questions to be asked and answered in a fun and entertaining manner. For more information about Amanda’s game, books, and Dating Coaching you can visit her website at www.PlayingtheFieldCardGame.com. *Playing the Field Card Game* (\$34.95) and *The Field Guide to Playing the Field* book (\$17.95) can be purchased at the site.
