FOR IMMEDIATE RELEASE

it's spring and we're **Playing the Field**

April showers bring May flowers
and the excitement of Playing the Field.
Have fun with your viewers,
help keep them from stepping in manure,
as they frolic in flowering lustful.....umm, loving fields.

Amanda's a great dame,
who has invented a fun game
for those eighty four million looking for love.
Now that Spring Fever is approaching full blast,
you'll not want to be the last,
to have this cheeky, fun guest on your show.

Dr. Ruth covered the sex, Dear Abby the thoughts,
and our gal Carrie the lifestyle we ought not...but still do!
Bring in the sass of the Queens, Sweet Potato, I mean.
And combined all-in-one is this gal for you!
Amanda Brown is spreading her recipe for love around...
because, after all, it's just no fun to have a big frown.
